of a lifetime!

VP VIP EXPERIENCE

FAQ's

What is the VP VIP Experience?

It's a perk program that we put together so our guests can explore and enjoy the activities and businesses that the Sunriver area has to offer! We want you to get the most out of your Sunriver adventure and hope these opportunities will help.

What are the different perks the program offers?

We have 2 different types of perks: Selection Perks and Stay Perks. Please see the next page to read all the details about these two perk types and what they offer you.

Who is a VP VIP?

At Village Properties, we view all of our guests as VIPs, therefore everyone who books a rental home through us gets VIP access and perks!

Does it cost extra to be a VP VIP?

One of our favorite parts about the program is that **no price increase has occurred to start or maintain it!** This program is covered by the same recreational fees included in your stay as before and by the generosity of the local businesses participating.

Do all your rental homes include the VP VIP Experience?

All rental homes will give guests access to VIP Stay Perks, but some homes will have the Selection Perks pre-selected for you. Please see your rental's description to know which Selection Perks you'll have available while staying.

HAVE MORE QUESTIONS? CONTACT OUR OFFICE!

541-593-1653

service@village-properties.com

WHAT TYPES OF PERKS ARE AVAILABLE TO ME?

As a Village Properties at Sunriver guest, you have the option to participate in two different types of VIP Experience Perks:

01

SELECTION PERKS

These are perks that are included in your stay. You Have a choice to receive:

SHARC Reimbursement

Get up to \$250 of aquatic center and \$60 tennis/pickleball court entry costs with SHARC covered during your stay.

-OR-

3 Exploration Activities

Choose three (3) activities for your reservation group to attend from a provided list, including museums and more.

If you choose to select 3 Exploration Activities, the tickets for your whole group to attend them will be placed in your rental before your arrival. If you do not choose either option before arriving at your rental, you will automatically be enrolled in the SHARC Reimbursement.

Note: If you select SHARC Reimbursement (or are automatically enrolled) but wish to change over to 3 Exploration Activities, please let our reservation desk know and we will happily help. If this occurs during your stay, you will have to stop by the reservation office to pick up your activity tickets. Homes that have SHARC passes included do not have the option to change.

02

STAY PERKS

These are specials/discounts that are constantly available to guests who are staying with Village Properties regardless of what Selection Perks they chose when booking. These will mostly be discounts and freebies that are offered by local businesses. Many of these will be redeemed by showing a VP VIP card for each person who is part of the reservation, but this does not apply to all of the perks. **Please see each perk listing for information about how to redeem the perk as a VP VIP. If a VIP Card is required to redeem the perk, have each group member who is redeeming it have a VIP card, as the card is per person and not per group. VIP Cards have been placed in each vacation home. Each home will include enough VIP Cards for each guest to have one.**

While our team regularly updates them, some perk offerings may have changed since the following pages have been printed. Please visit the perks page of our website to see our most current list of VP VIP perk offerings:

[village-properties.com/
guest-perks-local-discounts](https://village-properties.com/guest-perks-local-discounts)

SCAN ME

VP VIP Selection Perks

SHARC Aquatic Center and Tennis/Pickleball Reimbursement

How it Works:

If you're a guest of Village Properties and you'd like to enjoy this Sunriver attraction, we've got you covered! You're eligible for the SHARC Reimbursement Program if you **selected SHARC Reimbursement as your VP VIP Selection Activity** or if you didn't select any VP VIP activities (you automatically opt into SHARC Reimbursement in this case.) **Village Properties at Sunriver will reimburse the cost of your SHARC Aquatic Facility admission up to \$250.00 and tennis/pickleball court fees up to \$60.00 per booking.** Please note that the Reimbursement Program is only valid for the SHARC Aquatic and Tennis/Pickleball Facilities and not other SHARC facilities.

To get reimbursement, you must submit your receipts to the Village Properties at Sunriver office within 15 days of purchase.
